Adapters

High Transparency, Highly Acclaimed

Adapters play a crucial role in glass railing systems. They aid in the installation and customization of the railing components, allowing for flexibility in adjusting the orientation, angle, and alignment of the components. Adapters also provide standardized connection points and interfaces, ensuring a smooth installation of the railing components.

Who Qualifies for Our Pro Partner Program?

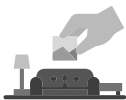

Retailers

If you sell glass to your consumers directly, but in small quantities and acquire the glass from wholesalers or manufacturers, you are eligible for the Pro Partner Program.

Contractors/Remodelers

A company or a professional, having expertise in renovating, remodeling, or reconstructing, residential or commercial properties, including glass installation, are eligible.

Interior Designers

If you specialize in designing or decorating indoor spaces, such as homes, offices, or other commercial environments, you qualify for the Pro Partner Program.

Glass Companies

Glass companies that sell glass and mirror products online can also join our Pro Partner Program.
