No Metal Washers

### Hardware Finishes

## EnduroShield

EnduroShield® coating is a spray-on protective glass coating. The sealant is sprayed over the glass surface. It creates a permanent bond with the glass surface and provides protection against harsh chemicals, scratches, dirt buildup, and soap scum. EnduroShield® is a budget-friendly glass coating option with 10 years warranty. It can also be DIY applied by following proper instructions.

## Shower Guard

An advanced ion-beam process is used to apply the permanent protective ShowerGuard® coating over the glass surface. The advanced fusion technology seals off all the pores and peaks on the glass surface. Thus eliminating any chance of residue buildup on the surface. It provides permanent protection against the damaging effects of hard water, humidity, soap residue, and cleaning agents. ShowerGuard® coating is backed with a lifetime warranty

## Luxclear™

Luxclear™ Protect is a hydrophobic glass coating. It is applied to the glass surface after the manufacturing process. It provides excellent protection against scratches, stains, and any other damage. Luxclear™ Protect coating slows down the aging process of glass and protects it from looking dull and hazy. It significantly reduces the cleaning time and offers a warranty of 10 years.

## Diamon-Fusion®

Diamon-Fusion® is a water-repellent glass protective coating with a 15 years warranty for commercial surfaces and a lifetime warranty for residential applications. It is a patented coating that creates a permanent chemical bond with the glass surface to provide protection against scratches, stains, and harsh chemicals. This coating is applied after the manufacturing process to transform the ordinary glass panel into a high-performance hydrophobic glass surface.

## Diamondize XP™

Diamondize XP™ is an advanced nano-technology glass treatment that provides superior protection against oxidation, dirt, and grime. It bonds molecularly with glass to offer hydrophobic properties that repel water and reduce cleaning frequency. Durable and backed by a lifetime warranty, this coating keeps your shower doors clear and brilliant, maintaining Fab Glass and Mirror's promise of "Forever Brilliant" and "Easy to Clean."

## 10" Stainless Steel Squeegee with Silicon Blade Ideal for Kitchen Windows, Bathroom Mirrors, and Car Glass.

SKU: (**SGQE-MB / SGQE-CH**)

America's Fastest-Growing Glass Supplier

## Buy Wholesale Glass With **FAB Pro Partner** Program

Fab Glass is your reliable and trustworthy wholesale glass manufacturer and distributor in the USA. Being a wholesale glass company, we specialize in making and delivering glass and mirror products in bulk quantities.

### Who Qualifies for Our **Pro Partner** Program?

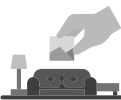

#### Retailers

If you sell glass to your consumers directly, but in small quantities and acquire the glass from wholesalers or manufacturers, you are eligible for the Pro Partner Program.

#### Contractors/Remodelers

A company or a professional, having expertise in renovating, remodeling, or reconstructing, residential or commercial properties, including glass installation, are eligible.

#### Interior Designers

If you specialize in designing or decorating indoor spaces, such as homes, offices, or other commercial environments, you qualify for the Pro Partner Program.

#### Glass Companies

Glass companies that sell glass and mirror products online can also join our Pro Partner Program.
